Overview

Commodity Council--Defined

'Commodity' = **segmentable category of goods or services**

- **Does not imply an expendable or non-complex item**

'Commodity Council' = **cross-functional sourcing team**

- **AF-Level Organization—reports to the CSO**
- **Develop enterprise-wide procurement strategies**
- **Integrate customers and suppliers**
- **Drive commonality and standardization**
- **Leverage purchasing volume**

Characteristics of a Commodity Council:

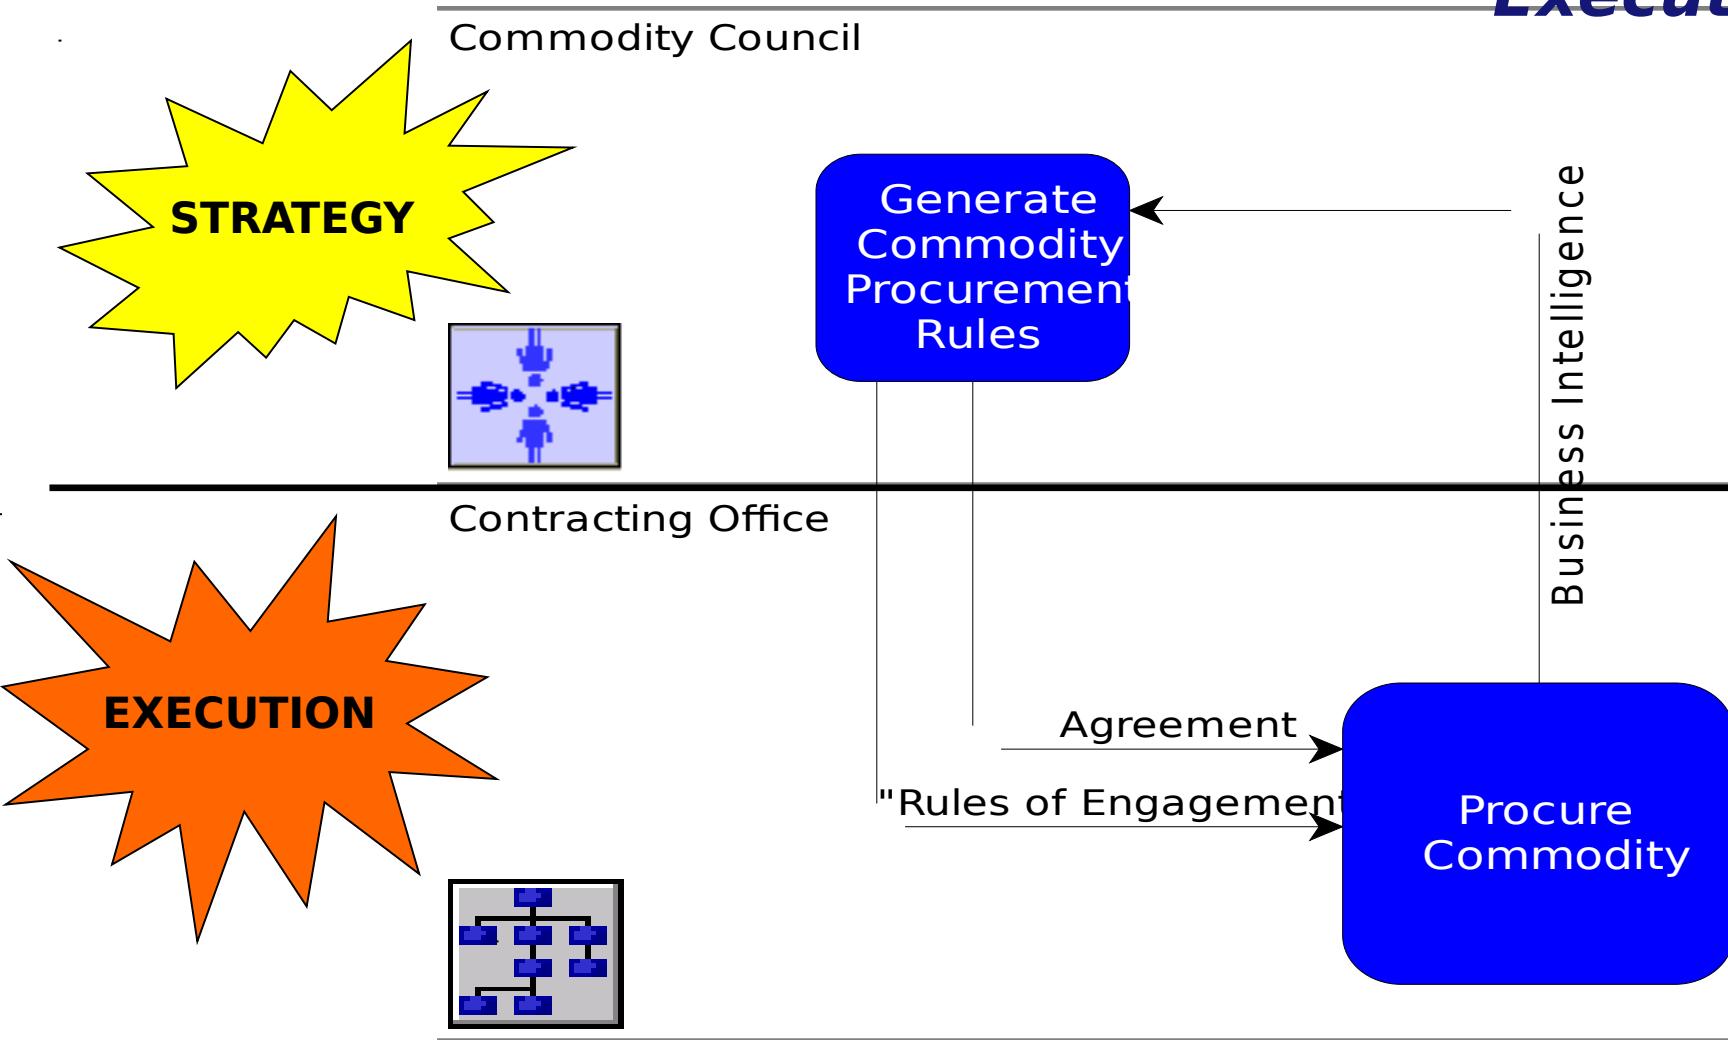

- **Executive-level endorsement**
- **Well-informed and market savvy commodity experts**
- **Centralized strategy . . . decentralized execution**
